

Syllabus and Agenda PMP Exam Prep
(Course Number PMP001)
Hosted by Your Instructor, LLC.
(PMI Authorized Training Partner, 4543)

Course Description

The PMP Exam Prep course is a 3 day instructor led class that prepares students to successfully pass the Project Management Professional (PMP) Exam. Students will complete the 3 day live course and will be granted access to 11 additional hours of self paced videos to assist in passing the exam on their first try. Students will be experts in, the PM knowledge areas, process groups along with their inputs, outputs, tools and techniques within per the latest edition of the Project Management Body of Knowledge (PMBOK).

Teaching Method

All classes are taught with a live instructor at a physical location AND simultaneously offered thru online platforms to students not at the instructor's location allowing students to interact with other students and the instructor.

Evaluation Method

All lesson objectives are measured using test in the text book provided to each student

Dates and Locations

Contact us for private classes or visit our website for already scheduled classes at:
www.YourInstructor.com

Times

8:00 am – 5:00 pm

Professional Development Units:

35 Contact Hours (24 hours live and 11 hours self paced studies)

Included items

1. Course text book
3. Course Slides: Electronic via PMI Authorized Training Partner Exam Prep
4. Each student will be interviewed by the instructor so we can complete the PM application for each student. This ensures the student's military experience is translated into civilian terms.
